

SERIES 600 & 900

SERIES 1000

FLANGE CENTRES

EXPLANATION OF CARBURETTER TYPE No.

R626/2 denotes a right hand series 600 Carburetter with Tickler, Throttle Stop and Pilot Air adjustment on the right hand side as viewed from the air intake, with a 26 millimetre crossbore. The digits after the stroke are specification reference.

Complete carburetter numbers are found marked on the raised boss adjacent to the air intake.
